SOUTH SURREY-WHITE ROCK

June 27, 2016

Mr. Michael de Spot, P. Eng.
2703 – 124B Street
Surrey, B. C.
V4A 3N8

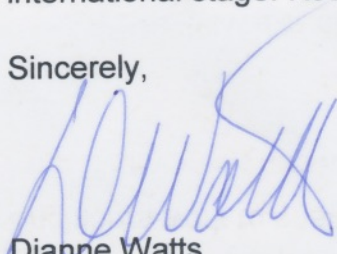

Dear Michael:

As the federal Member of Parliament for South Surrey-White Rock, I wish to extend my sincere congratulations to you on your recent National Award from Engineers Canada, for an Engineering Project of Achievement, your SunMine project.

Engineers work to ensure public safety and enhance the quality of life of Canadians. Your contribution has had a significant and positive impact on both on society and industry.

It is Canadians, such as yourself, who continue to shape our country's standing on the international stage. Keep up the good work!

Sincerely,

Dianne Watts
